## LOOKING FOR A FLEXIBLE WAY TO STUDY?

CIIM follows a flexible modular system of study called “Flexi Study” which offers maximum flexibility and convenience.

You do not follow semesters and you do not take 2 or 3 classes in parallel like in other schools. At CIIM you take only ONE class at a time, finish it and then enrol in the next class and so on.

Combine  
**Work and  
Study**

Classes start  
every **2  
weeks**

### Schedule of classes

Classes meet on weekdays in the evenings and there are also some classes on Saturdays and/or Sundays.

Classes hours:

- Weekdays 18:30 – 22:00
- Saturdays 09:00 – 17:15
- Sundays 10:00 – 18:15

With “Flexi Study” you build your studies around your life and not the other way around!

### Need help with English?

CIIM has carefully designed a two-level programme in **Business and Professional English**

#### Programme options

Business English for everyday use in a corporate environment

Professional English for business transactions, trade and finance

#### Each Programme features

33 classes of professional English

100 hours of total teaching

Convenient evening schedule

*Fees €1,100 for the entire programme / Includes all reading material / Flexible payment options*
